What do you pay to this financial services provider?

You will find all average prices here. The average price is the price customers pay in a similar situation. The more complex your financial situation, the more you usually pay. Your financial service provider will inform you of the exact price. Also, always have agreements recorded, so you know what the financial service provider does for you and how much you pay for it.

| | Consumer | Entrepreneur | Others |
|----------------------------------|----------|--------------|--------|
| Give advice and arrange contract | € 195 | € 195 | € 90 |
| Only arrange contract | × | × | × |
| Only give advice | × | × | |

We charge a one-off closing fee for life or disability insurance. In combination with a mortgage application, there may be a discount on this fee.

What can this financial services provider do for you in the future?

In case of changes in your personal situation, always go back to a financial services provider. Because of these changes, the mortgage/insurance might no longer fit your situation. For example, because your family situation or income changes. Then you might pay too much or run more risk than you want.

You can always visit a financial services provider for an orientation meeting. Is there a significant change in your mortgage and/or insurance? Then the financial service provider or provider will contact you, without you paying.

Does this financial services provider also offer maintenance services? ¹ For maintenance services you do not pay any extra charges.

For more information on other services in the future, check your financial services provider's website www.mvworks.nl.

¹ with maintenance services, a financial services provider can monitor with you if there are changes that require an adjustment in your insurance.
